CIVIL RIGHTS IN THE NORTH

**"NORTHERN RACE MIXERS PROMOTE HATRED IN SOUTH
AND MAY BRING RACE WAR WHERE RELATIONS WERE THE BEST"**

THE INVISIBLE GOVERNMENT CONTROLS NORTHERN PRESS

The public is being deprived of the facts concerning **Civil Rights**. Those who would like to understand the merit or danger of this program are afraid to inquire into it fully because of the noise being made by the organized **pressure groups**, which are inter-locked in a conspiracy to arouse Negroes and use their votes in the plan to replace good American lawmakers with those who will take direction from the **invisible government** which already has almost full control of both political parties.

In submitting to organized Marxist, political groups, the **Eisenhower administration**, including the **Supreme Court**, has used illegal, unfair and prejudiced methods against good people in the South.

The public does not get the truth from northern newspapers, which dare not go contrary to wishes of their Jewish advertisers, who furnish page advertising.

The pressure which forced a willing **Supreme Court** to exceed their authority and render the decision, was entirely by organized **Marxist Organizations** directed by Jews. The **Supreme Court** quoted as their most impelling authority for the decision, **Gunnar Myrdal** of Sweden, who is a noted **Socialist** and may be a secret communist. This red from Sweden, where a Negro is a curiosity, is the Court's authority for coercing the South which understands Negroes.

When Washington needed a decision in 1957 by a Federal Judge, to prevent **Gov. Faubus** from interfering with desegregation plans, U.S. District Judge **Ronald N. Davies** was brought down from **Fargo, North Dakota**, where there are practically no Negroes to **Little Rock, Ark.** Suppose a decision were needed in North Dakota concerning wheat farming, would they send a judge from cotton farming **Georgia**?

When Eisenhower sent the paratroopers into Little Rock and took over the ten thousand National Guardsmen at a cost to the taxpayers of 5 million dollars, he did it contrary to law and at the insistence of the Jewish power groups of **New York City**.

For twenty years communist Jews, unwelcome in all of Europe, have been flooding the United States.

MARXISTS INCITE NEGROES

Since **F.D.R.** opened the gates, these people have been remaking our laws, maneuvering their people in as Federal Judges and strategic spots in city, county and Federal positions. Determined to rule, they are only a small percent of population, hence, by clever methods, they are trying to regiment 19 million Negroes to use as another pressure block they control. These are the votes feared by office seekers.

The purpose of this issue is to show that the whole plan to force race mixing is dishonest and is part of the plan to communize the U.S. We are convinced that 90% of the Negroes do not want to be forced into schools with Whites.

YOU TOO, FATSO?

By BILL MCCLAMHAM
Dallas News Staff Cartoonist

Those most active in pushing integration are Jews and mixed-blood Negroes.

RALPH BUNCHE NAMED A RED

These marxist revolutionary organizations located in New York have for years been sending organizers into the south to incite the Negroes just as they have in the Congo and other parts of Africa. Enormous sums have been supplied to these groups to bring all Negro people of the world under communism. **Ralph Bunche** has been named a communist in sworn testimony before Congressional Committee by two former communists, **Manning Johnson** and **Leonard Patterson**. **Ralph Bunche**, as a representative of the U.N., has played a prominent part in setting up communism in Ghana and the Congo. Results in the Congo gives an idea of what the South may expect if our one-worlders succeed in their race-mixing plan. Thousands, not hundreds, of women, girls and Nuns were raped in the Congo. Our newspapers here do not print this for fear of the organized pressure groups which are promoting race-mixing.

Common Sense stated at the outset of this dastardly plot, that integration would never work and now we are more convinced than ever. Some religious leaders say it is sinful to educate black and white in separate schools. When did it become a sin? Why was it not a sin for 100 years? When the **Anti-Defamation League of B'nai B'rith** directed this move, these religious leaders were sucked into the parade.

When God created white and black and segregated them in separate parts of the earth, did He make a mistake?

SEGREGATION

**NEGRO SEGREGATIONIST SINGS
INTEGRATION BLUES TO TUNE OF
\$50,000,000 YEARLY LOSS TO NEGROES**

Davis Lee, Negro publisher of **The Herald**, **Anderson, South Carolina**, recently had the following to say regarding racial segregation:

"The efforts being made by certain paid agitators and pressure groups against segregated schools in the South may cause Southern Negroes to lose a lot more than they will gain.

"The trouble with this group, as with similar ones, is that the initiators don't count the overall cost to the race. The present effort is designed to destroy the whole pattern of segregation, and to establish an integrated social order in which there will be no distinction made in this country on the basis of race, religion, color or nationality.

"This is a laudable objective, but human nature just has not changed that much, and the achievement of such an objective could cause repercussions that might set the Negro back fifty years.

"Integration in the schools in the North and East is not a howling success. A Negro can attend most of the schools up here and get an education, but few of the states that educate him will hire him as a teacher. The State of Connecticut doesn't have twenty-five Negro teachers...

"Nowhere in these integrated states do Negroes get anywhere near proportionate representation. Every device is employed to keep qualified Negroes from being assigned. Recently a reputable New York labor union made a report on the employment of Negro teachers in New York City and charged that a systematic scheme has been adopted to exclude Negroes as teachers.

"This is not true, in the South. The State of Georgia employs 7,313 Negro teachers and paid them close to \$15,000,000 in salaries last year. North Carolina paid its Negro teachers over \$22,000,000 last year. Florida is another State that ranks at top on teacher pay.

(Mississippi paid \$7,414,278 in salaries to 6,753 Negro teachers in the State last year.)

"If these states, that are now pouring millions of dollars annually into Negro pockets which provides our people with money that enables them to enjoy the dignity of man, to enjoy the prestige and respectability, to buy homes and the necessities of life, are forced to abandon the segregated school, 75 percent of the Negro teachers in the South will lose their jobs. Not only that, but approximately 20,000 Negro principals will lose their jobs as well...

Navy Wife Is Stabbed As She Resists Rape

By FRANK SCHILD

An attractive 23-year-old housewife, resisting rape by a stocky young Negro with a knife, was stabbed and critically wounded shortly after 10 A. M. yesterday in the basement of a Queens apartment house. Her assailant escaped.

The victim was brunette, green-eyed Mrs. Sandra Noble, wife of Lt. (j.g.) Robert Noble, 26, stationed at 90 Church St. Lt. Noble is a night pre-medical student at Columbia University.

The attack occurred in a storage room in the basement of the six-floor house at 82-05 134th St., Kew Gardens, where the Nobles have a top-floor apartment.

Spending Day at Home

Saturday has usually been a free day for the Nobles since they returned to their native New York 10 months ago from Panama, where Lt. Noble had done a tour of duty. Yesterday he took time off from studies to be with his wife. A secretary with the Planters Peanut Co. in Long Island City, Queens, Mrs. Noble had a work-free weekend.

Early, Noble drove to a neighborhood gas station for minor repairs on his car. Mrs. Noble took the elevator to the basement with a bundle for the laundry room.

A Negro, perhaps 20, 5-feet-7, weighing 140 pounds and wearing black leather jacket, was near the elevator door in the basement. Mrs. Noble walked past him, put her laundry in a washer and returned to the elevator to go up to her apartment.

Seized From Behind

The stranger seized her from behind, clapped a hand over her mouth and said: "Don't fight me and there won't be any trouble. I've got a knife."

He released her mouth and whirled her around.

Terrified, Mrs. Noble tried to reason him out of the attack. "Don't do it," she said. "You'll get caught. You shouldn't do this terrible thing."

His grip tightened. Mrs. Noble somehow wrenched free and ran into a darkened storage room, hoping to duck around him if he followed.

Stabbed Eight Times

He did follow. He seized her. Mrs. Noble screamed. Eight times, the attacker plunged his knife into her. He fled as she slumped to the floor.

Poor Man's Doctor, Wife Beaten, Almost Killed by a Robber

By Arthur Noble and James Davis

An elderly physician who, though thrust into semi-retirement by chronic illness, continued to treat his poorer patients without fee, was savagely beaten yesterday by a thief who invaded his lower East Side combination office and living quarters. Also beaten into unconsciousness was the doctor's wife, who had entered the office when she heard cries.

The victims were Dr. Phineas Salzman, 79, and Mrs. Eva Salzman, 74. They had lived in the building, at 182 Henry St., about 10 years, during which time Salzman had won the reputation of good Samaritan. He had practiced in the neighborhood for 45 years.

The two were taken to Gouverneur Hospital. Both had skull fractures and were in critical condition. Last night, Mrs. Salzman regained consciousness briefly and told police the assailant was a light-skinned Negro whose face was partially masked.

Cabbie admits sex attacks on college girl, 5 other fares

NEW YORK (AP) — A young taxi driver told police yesterday he had committed a series of sex attacks on women customers, including the daughter of novelist William Wister Haines.

The cabbie, Robert Pearson, 27, father of a girl, 5, was charged with assault, robbery, sodomy and attempted rape against Laura Haines, 20.

Miss Haines, a Radcliffe College student, had taken a cab Monday night to catch a plane home for the Christmas vacation in California. She identified Pearson as the driver who assaulted her, and police said he admitted the attack.

Later, officers said, Pearson also admitted raping a Brooklyn woman and forcing four others to submit to indignities after they had engaged his cab. Two of these were in Brooklyn and two in the Bronx.

Girl Beaten, Raped Near Bronx Home

By Henry Machirella and Henry Lee

A pretty, 18-year-old secretarial student, returning from a religious club dance, was viciously beaten unconscious and raped in an alleyway only 300 feet from her home in the Wakefield section of the Bronx early yesterday.

Despite her injuries—a fractured skull, bruises and cuts on arms and legs and a face so badly swollen that she could scarcely talk—brunette Frances Porco was reported in fair condition last night at Misericordia Hospital.

During her brief moments of consciousness, she could give only a sketchy description of her assailant. More than 12 hours after she was found, police issued an alarm last night for a Negro about 20.

Sneak Thief Slashes Woman in a Church

A woman, alone in the Church of St. Gregory the Great at 144 W. 90th St., was slashed under the chin late yesterday when a sneak thief grabbed her pocketbook and then attacked her with a knife when she resisted him.

Della Considine, 55, who lives across the street at 124 W. 90th St., suffered a deep gash, which narrowly missed an artery. She was taken to Knickerbocker Hospital, where four stitches were needed to close the wound.

Snatches Her Purse

The Rev. Paul Marceau, pastor of the church, had just finished baptisms, and Miss Considine was alone at 5:20 P. M. when the thief, described as a young Negro, about 5 foot 6, grabbed her purse.

Miss Considine chased the slasher as he ran into 90th St., but he darted into a building at 125 W. 90th, fled to the roof and had disappeared before police arrived.

2 Negroes Held in Assaults on White Women

MILWAUKEE, Wis.—(P)—Warrants charging rape were issued today against two men named as members of a Negro gang which, police said, preyed on white women found walking alone on darkened streets.

Dist. Atty. William J. McCauley said the two men admitted taking part in a wave of rape assaults three years ago.

8 Held in Girl Attack

Three Others Sought in Assault on 16-Year-Old

Eight young men under arrest at Newark police headquarters today are charged with the rape of a 16-year-old girl early Sunday morning.

Inspector Edward J. Scanlon said all eight have confessed and that three other men are being sought for participating in the rape. The eight have been identified by the girl, Scanlon said.

His disclosure marked the second time this week that police have announced solutions to rape cases. Tuesday night, police said three men had confessed to the abduction and rape early Monday of a 20-year-old Newark secretary.

Called Most Brutal

The repeated rape of the 16-year-old girl was confirmed by an examination by Dr. Marcus Greifinger, who said the case was one of the most brutal in his experience. The girl also was attacked by the men, police said, and one of them threatened her with a knife.

2 N.Y. Negroes Beat Up Two Boys, Rape Mother

ROCKAWAY BEACH, N.Y., March 19 (P)—Two Negroes broke into an apartment today and raped a 49-year-old white woman after first beating up her two young sons, police said. The men were caught when they tried to flee.

Willie E. Lloyd, 20, and Sylvester Cholmondely, 18, both of the Hammels section of Rockaway Beach, were charged with rape, assault and robbery.

Police said the men had been drinking heavily. They broke into a basement apartment of a widow and her sons, 15 and 12.

The boys were quickly overpowered. And for 90 minutes the men brandishing a knife, terrorized the family, police said. They drank beer from

the ice box and demanded money. The woman gave them \$12.

When they took the mother into the bedroom to rape her, the older boy fled into the street shouting for police.

Two patrolmen quickly arrived and caught the men in a courtyard after firing five shots. No one was hit.

The woman was taken to Rockaway Beach Hospital in shock.

Woman Slain By Thief She Caught in Act

A burly burglar beat and kicked a 63-year-old woman to death after she surprised him in her apartment at 425 Classon Ave., Brooklyn, at 6:50 A.M. yesterday. The intruder also critically beat the woman's daughter when she tried to help her mother.

Mrs. Maria Otero saw the burglar climbing through her first floor bedroom window, police said. She screamed. The man punched her to the floor and stomped her.

Mrs. Otero's daughter, Mrs. Angelita Vargas, 42, was awakened by her mother's screams. She ran to her mother's aid and was punched unconscious by the burglar.

Mrs. Otero was pronounced dead at Kings County Hospital. Her daughter was admitted to the hospital in critical condition. Police broadcast an alarm for the burglar, a 200-pound 6-foot Negro.

Rapists Get 25 Yrs., No Mercy

Three young Negroes who raped a 20-year-old white girl pleaded for mercy yesterday in Union County Court in Elizabeth, N. J., but got 25- to 30-year sentences.

2 Gals (1 Wears the Pants) Denied Bail in Taxi Killing

Two women, one the alleged gunslinger and the second her man-type accomplice were held without bail in Brooklyn Weekend Court yesterday on homicide charges in the Christmas Day stickup-slaying of a Brooklyn cab driver.

Magistrate David Malbin set tomorrow for hearings for Mrs. Kathleen Perry, 19, of 422 Fourth St., Brooklyn, and Thelma (Jerry) Davis, also 19, of 418 Madison St., Brooklyn.

It was Mrs. Perry who assertedly called police and admitted firing the fatal bullet into the back of the head of hackie Nathan Hyman, 56, of 469 Georgia Ave., Brooklyn, early Friday as he sat in his cab on Lincoln Place near Albany Ave., Brooklyn. The stickup killing netted \$13.

Tells of Companion

After surrendering to police, Mrs. Perry said she had been accompanied by a casual female acquaintance she knew only as Jerry who wore men's clothes and frequented the Subway Bar and Grill, Nostrand Ave. and Fulton St., Brooklyn. Police staked the place out, and grabbed the Davis girl at 1 A. M. yesterday.

MISGUIDED DO GOODERS

The Radicals in the North have an obsession to do something for the Negro although they are the best treated people in the U.S. Millions live in the cities on welfare checks and occupy government low rent housing, can have several common law wives, and each additional child brings an increase in the welfare check to the woman.

Many hard working White people have a difficult time to keep up without these advantages and still pay the big part of the tax burden to provide this help to the Negro. The Jews have organized Negroes and fronts for them so politicians are afraid to refuse their demands.

In the north, where race mixing has been tried as an example to the south, it has upset the public school system. The whites have placed their children in private schools or moved out of the city.

In the Borough of Manhattan in N.Y.C. the Negro and Puerto Ricans in public schools, constitute three out of four children. In N.Y.C. two apartment projects were to have the same new school. One project has 2057 apartments occupied by Negroes and Puerto Ricans. The other 2583 apartments, occupied by whites, sent only four children to Public School 163.

In our Capitol, Washington, D.C. 74% of the school children are Negro. The law makers and people who can afford it have taken their children out of school in Washington, D.C., and moved to Virginia or Maryland. Such is rule by hypocrites who fear the ruthless minority political groups.

REDS RACIAL RECORD

William Z. Foster, present head of the Communist Party in America, declared in his book entitled **TOWARDS SOVIET AMERICA**:

"The American Soviet will of course abolish all restrictions upon racial intermarriage The revolution will only hasten this process of integration, already proceeding throughout the world with increasing tempo."
(page 305-306)

David Lawrence reported in his newspaper column (Times-Picayune, Nov. 12, 1958) that Prof. Allen Nevins, long time professor of American history at Columbia University, two time Pulitzer prize winner,

"is emphatically in favor of desegregation and calls upon the Southern people to face reality, as he tells them that intermarriage between the races in the coming years is inevitable."

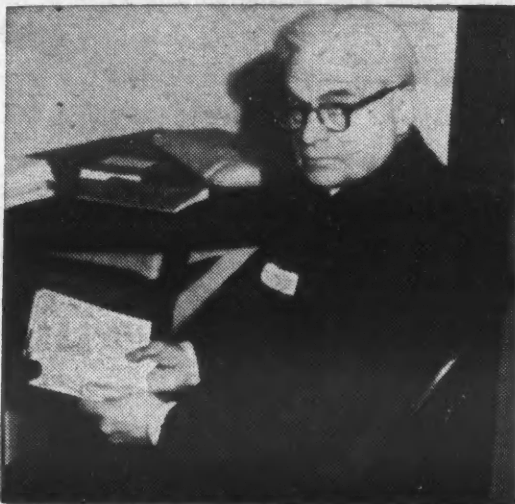

The emergence of a powerful, left, anti-imperialist, anti-fascist current among negro people is unmistakable and is clearly discernible in the NAACP

Today, the Kremlin leadership in Moscow feels so firmly entrenched in the NAACP that the top official organ of the Communist Party in the US. has advised all of its followers that:

"We must support the NAACP in this struggle with every ounce of energy at our disposal."

(Political Affairs, official organ of the CPUSA, Feb. 1950, p. 23).

TALKED WITH LUMUMBA

Sanford "Sandy" Griffith, Top ADL (Anti-Defamation League of B'nai B'rith) Spy Chief for New York area. Sandy Griffith has a number of ADL (Jewish FBI) spies under him and directs activities against Christian patriots throughout the U.S.

Well known as an ADL agent for at least 15 years, Sandy was surprised when the camera trapped him at COMMON SENSE headquarters.

The American Committee on Africa and New School of Social Research of New York City have been sending speakers into Africa, stirring up Negroes to revolt. Result ex-Premier Lumumba welcomed hundreds of communists, planes and arms into Congo.

Sanford Griffith has just returned to New York City after meeting with Lumumba. This same Griffith has for years been busy in our southern states inciting dissatisfaction and revolt.

MUGGINGS - N.Y. & N.J.

Reported - Unreported - WHY?

The New York Journal American Oct. 2, 1958 reports that:

"the wave of muggings which terrorized the city during August has tripled in number during September. More than 90 persons were attacked on the city streets last month. . . It should be emphasized that there are hundreds of muggings which are never reported for a variety of reasons."

From a reliable source, Common Sense has been informed that in the Metropolitan district, which includes N.Y. City and north-east part of N.J., an agreement is in force among the newspapers to report only one raping out of six. There are more rapes reported in the metropolitan area in one month than occurs in the entire south in 50 years. Yet it is this area that has produced the aggressive groups that dare impose their plan of race mixing on the south.

FAMOUS QUOTATIONS

Theodore G. Bilbo

"If our buildings, our highways, our railroads should be wrecked, we could rebuild them. If our cities should be destroyed, out of the very ruins we could erect newer and greater ones. Even if our armed might should be crushed, we could rear sons who would redeem our power. But if the blood of our white race should become corrupted and mingled with the blood of Africa, then the present greatness of the United States of America would be destroyed and all hope for the future would be forever gone. The maintenance of American civilization would be as impossible for a negroid America as would be redemption and restoration of the white man's blood which had been mixed with that of the negro."

SEGREGATION

— Continued from page 1 —

"This present movement to end segregation in the schools is merely the beginning of a well-laid plan to completely end segregation in everything in the South. If this happens, the Negro will be thrown into direct competition with the White race, and our business institutions will crumble."

"No place in the world do Negroes own and control as much as do those in the South. Atlanta is without question the Negro capital of the world. It is the center of Negro culture, education, business and finance. And both Negroes and Whites live, work and operate business without either being conscious of the other's race."

"This movement to integrate the schools of the South is loaded with more racial dynamite than appears on the surface and the Negro will be the one who is blown away."

"During the past two years I have spent more time in the South than I have in my office, and I have interviewed thousands of Negroes in all walks of life and I have found very few who favor mixed schools. They want their own schools, but equal facilities. This being the situation, one questions the fairness of forcing these colored citizens to accept what they don't want. If a little group of paid agitators succeed in forcing their will upon these people, it appears to me that they should at least be given an opportunity to be heard."

"Right now the Southern Negro is in a better spot educationally, politically and economically than the Negroes any place else in the world. Race relations are continually improving. Every day more Southerners are recognizing the Negro as a man and according him the respect that he merits, but the Southern Negro himself can do more about improving conditions than can courts, legislation or pressure groups . . .

"Despite all the hullabaloo about the liberal North and East, no Negro has been made head of a State College or University. Down South the woods are full of Negro college and university presidents. In Texas a Negro college president of a state school gets \$10,000 a year."

"Negroes need to refresh their memories on the fact that just a few years ago we were raising Cain because colored kids in the South were being taught by white teachers. We wanted them taught by Negroes until now Negro teachers have completely taken over."

"A group goes back into the courts declaring that the Negro is not satisfied with equal facilities, that the separate but equal law is unconstitutional, that nothing less than integration will do. That doesn't seem fair to me."
